

ACER Decision on amendments to CIDM – Annex 1

Amendment to the congestion income distribution methodology according to Article 57 of Commission Regulation (EU) 2016/1719 of 26 September 2016 establishing a guideline on Forward Capacity Allocation Regulation

Whereas:

- (1) The all TSOs' proposal of 15 March 2019 for a Congestion Income Distribution (CID) methodology in accordance with Article 57 of Commission Regulation (EU) 2016/1719 of 26 September 2016 establishing a guideline on Forward Capacity Allocation Regulation was approved by the national regulatory authorities 23 October 2019 ('CID-FCA methodology 2019').
- (2) The all TSOs' proposal of 15 March 2019 was not approved for the TSO Fingrid Oyj, but, in accordance with Article 30(7) of Regulation (EU) 2016/1719, the CID-FCA methodology 2019 should now apply to it. Therefore all TSOs proposed to amend the approved all TSOs' proposal of 15 March 2019 so as to make it applicable also to Fingrid Oyj.
- (3) The scope of application of the CID-FCA methodology 2019 should therefore be amended to include also Fingrid Oyj.
- (4) Accordingly, this document amends the CID-FCA methodology 2019.
